### **SVP Twinning Appeal for the people of South Sudan.**

South Sudan has experienced many years of civil war which has left the people facing widespread hunger and social insecurity. The S V P in South Sudan provides much needed help in many areas, such as feeding centers for malnourished children, part funding schools and providing food for displaced persons camps. All this and more can only be done with help from other countries. The UK twinning section sends funds directly to the S V P in South Sudan.
